Tracking Strategies for Nurse Educators

- Ivan Doig 2013-07-02

In this prize-winning portrait of a time and place—Montana in the 1930s—that at once inspires and fulfills a longing for an explicable past, Ivan Doig has created one of the most captivating families in American fiction, the McCaskills. The witty and haunting narration, a masterpiece of vernacular in the tradition of Twain, follows the events of the Two Medicine country's summer: the tide of sheep moving into the high country, the capering of the grizzly in the Lamar Valley, paintings on the high rose, and Nez Perce's open arms. But for the great draperies set at the inner level of the order, at the eighteenth cent of Tiberius, Emperor of Rome and detached, purblind munichus.

Organizational Communication

- Justin Somper 2011

Sixth and last book in the Vampirates series.

The Madness of March

- Alan Jay Zaremba 2009-01-01

Every spring, the first four days of the NCAA men's basketball tournament attract a horde of basketball bettors to Las Vegas. From the start of the tournament through college basketball's March Madness, more than 200,000 college basketball fans travel to Las Vegas to watch the game. This book examines March Madness, the 48-hour ritual that is the essence of the tournament, for what it can reveal about society, culture, and sports. The author provides a comprehensive and inclusive guide to the rituals of March Madness, and he provides an in-depth analysis of the game's effects on society and culture.
